INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

January 14, 2005

Dear Sir:

Pursuant to the provisions of 37 CFR Sections 1.56, 1.97 and 1.98, Applicant submits herewith copies of the references (other than the U.S. patents) cited on the attached Form PTO/SB/08A for consideration during prosecution of this application.

The references cited herein were cited in the International Search Report for the corresponding PCT Publication No. WO 03/082527 from which the present application claims priority. The Search Report classifies each reference as an "A" document (defining the general state of the art which is not to be considered to be of particular relevance). A copy of the International Search Report is enclosed.

The references are in the English language, except for the DE 2555982 and DE 3714150 patents. It is submitted that the relevance of the DE 2555982 patent can be determined from the drawing, and the relevance of the DE 3714150 patent can be determined by the drawings and English abstract.

This Statement is filed solely for the purpose of complying with the pertinent rules of the Office and is not intended to be a substitute for an independent evaluation by the Examiner of the art cited or an independent search by the Examiner, and no representation of any nature is made or intended by the filing of this Statement.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Alan G. Towner", written in a cursive style.
